

Who can help with the Medical Emoji review

Two Unicode routes, the Microsoft roles that can help, and where technical authority remains

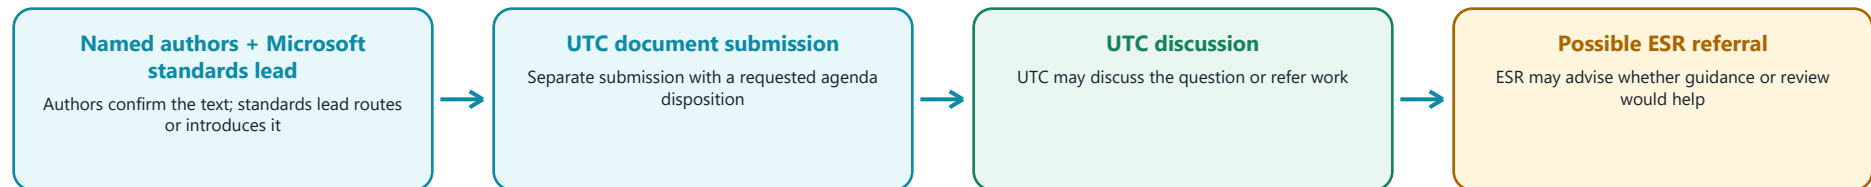

ROUTE 1 | Individual emoji proposals

Each selected candidate follows this route separately

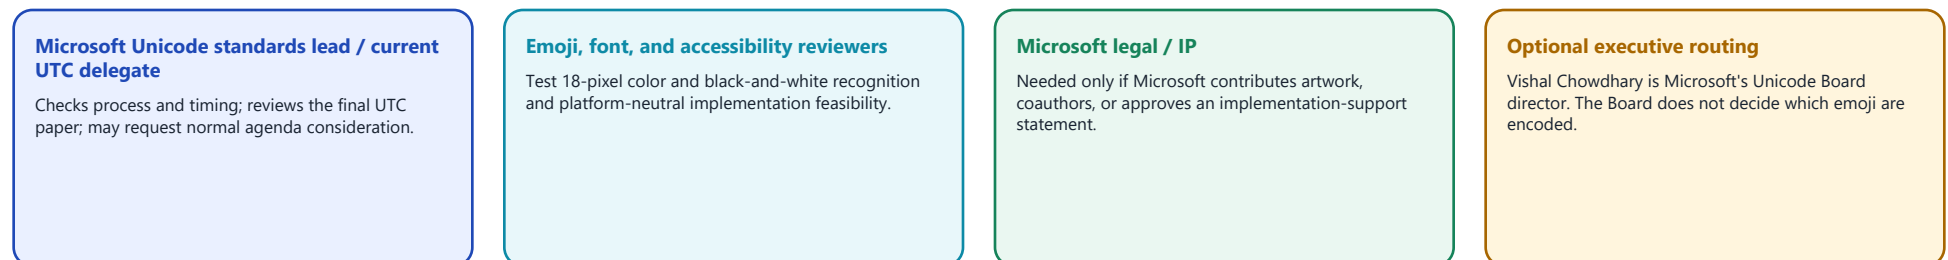

ROUTE 2 | Final UTC submission document

This document cannot replace an individual emoji proposal

Who David can connect

NAMED PEOPLE IN THE PUBLIC RECORD

Peter Constable - UTC chair; UTC #187 minutes list him for Microsoft | Judy Safran-Aasen - UTC #187 minutes list her for Microsoft | Jennifer Daniel - ESR chair | Vishal Chowdhary - Unicode Board director, Microsoft

The public record does not identify Microsoft's primary voting delegate or whether Microsoft has an ESR participant; David can confirm the current owners.
